

FMMT™ A WINNING CHOICE

Our innovative **FMMT™** “Full Modular Mold Technology” with integrated hot runner system technology offers an infinite number of advantages in terms of drastic cost reduction and time development.

A winning choice... for “thou” customers that invest in new molds every year. With **FMMT™** you can shave off up to 75% of your normal costs. The **FMMT™** will definitely make a significant impact on your cost reduction economy; compared to the standard mold with integrated hot runner systems technology.

Some of the advantages with **FMMT™**:

Cost Reduction

- Minor Costs (the customers invest exclusively on the cavities; the **FMMT™** is engineered to accept and host an infinite number of variables, like: number of cavities, item size, sliding and screwing application etc... This is just to mention a few of the infinite options that our **FMMT™** offers.)
- Minor Repair Costs
- Minor Industrial Costs

**YOUR
DESIRED
PARTNERSHIP
TO
DRASTICALLY
CUT YOUR
COSTS**

Improvements Overall

- Total Precision
- Quality
- Management

The most important results are the effective cost savings in the construction of new molds that can normally reach up to 70%.

TRADITIONAL MOLD EXCESSIVE INVESTMENT	100%
FMMT™ (Full Modular Mold Technology) COST STRATEGY INVESTMENT	30%
